ABOUT ME

I am a junior interior design student seeking experience in the industry. I am seeking a job at a commercial design firm to gain knowledge and a better understanding of the field. I have a particular interest in hospitality design, but I am open to all design areas. I really enjoy working with computer programs, problem solving, and learning new skills.

EDUCATION

2019 - Present • Oklahoma State University: Bachelor of Science in Design, Housing, and Merchandising - Interior Design

2011 - 2017 • Tulsa Community College: Associate in Science
